Spring Weather

The weather is starting to be a little warmer out! Please still bring jackets for outside because we will be going out in the afternoon and it gets cooler as the sun goes down.

Nature Walks

The Classrooms would like to start going on walks in the Evergreen Cemetery, please make sure you have signed permission for your child to go, otherwise they will have to stay behind until the form is signed off.

Sunscreen/Bug Spray

It's that time of the year when the bugs will start coming out. Please supply your child with bug spray and/or sunscreen if you would like it applied to your child. Also, a permission form needs to be filled out which were in the enrollment packets that just went out. If you need a new form please let the teachers know.

Parking

Parking is tight and a problem lately.

Please when dropping off and picking up please make it quick. If you would like to talk more with your child's teacher, we can schedule a parent/teacher meeting or you may call during school hours.

Please DO NOT block the back hill by parking your car there so no parents can come up or go down.

Reminder please hold your child's hands while in the parking lot. And always look where you are going while back up, children are always getting in and out of cars and not always cautious of a car backing up.

Please drive slow!

Thank you!

Take Home Cubbies

Reminder to all parents, in preschool and Pre-K the children have take home cubbies. Please check their cubbies a few times a week for projects that are being sent home, notes, and/or reminders.

Also, preschool does not get daily sheets. There is a weekly newsletter that gets sent home on Friday's. This newsletters go in the take home cubbies.

Some projects are hung up on the walls for a few weeks then will get sent home!

Take some time to check out your child's art work on the wall!
