We are having fun this summer!

All the children have been very busy with new activities and art projects this month! We are staying cool with the Air conditioner and with the pools. This month the children's favorite activities so far were pet rocks, sand art, and stringing pool noodles!

*Thank you for all
the donations for

First Day of Preschool : AUGUST 29th

Tie Dye Day was a HUGE hit! All the children looked so cute walking around with all their Tie Dye on!

We will wear our Tie Dye AGAIN on August 16th, TUESDAY!

We will put out a reminder!
