- ◆ Miss. Stacey will be going on Maternity leave shortly after Miss. Jenny gets back from her Honeymoon.
- ◆ We are in the middle of hiring teachers for the new school year, there will be a few new faces around the daycare for working interviews over the next several weeks.
- ◆ Parent handbooks will be going out again this year, there is NO new information but I do need parents to read through it and sign the last page acknowledging they have read it.
- ◆ Please follow The Learning Tree on Facebook if you are not already. I do reminders, pictures and updates during the school year.
- ◆ Enjoy the rest of your summer!!

Enrollment Packets

Every year we have to update enrollment packets for EACH child. This is a good time to update us with new information about your child. While filling out the enrollment packet make sure to update all your contacts, we have had a big issue this year NOT being able to get a hold of parents while their child has been sick/hurt. If there was ever an emergency we will need a number to be able to get a hold of someone immediately.

There are a few forms that need parent signatures at the bottom of the page, please make sure all the pages are signed that need to be.

I know this process is time consuming and A LOT of repetitive information, but it IS a state requirement for these forms to be filled out yearly. If you have just started in the past two months you do not need to fill out this new packet. If you started before June 1st, then I WILL need another packet filled out so your child will be updated for the school year 2017-2018.
