Summer Fun!

Starting June 30th, PLEASE pack a bathing suit, towel, water shoes, and HATS! If your child is still in diapers they are required to have swim diapers to go in the kiddie pools.

PLEASE LABEL!

We will have kiddie pools, sprinklers, water balloons and water tables throughout the summer.

June 26th we start the “camp schedule” where the classrooms will become less structured. We will make this summer fun for all the children.

COMING FALL 2016

This fall we will be expanding our curriculum here at The Learning Tree Daycare. We will be bringing in a Music Teacher to come in a few times a month for ALL classrooms. There will also be someone coming in to do a "sports time" with the children and a "dance program".

Special Features

- Roger Williams
- Lil Folk Farm
- Doctor / Dentist Visit
- Visit from Local Farm
- Police/Fire
- Curious Creatures (reptile visit)
- Artist - Paint on Canvas
- Little Gym

And MANY MORE to schedule!

Children's Cubbies

Please make sure everything is labeled because some children do share cubbies! If you notice that your child came home with something that is not their own please send it back to school and give it to a teacher. A few pieces of clothing and ice packs have gone home with other children by accident and have not been returned.

Time to take home the BIG blankets and bring in lighter ones! PLEASE no pillows for rest time, we simply don't have enough space to store the pillows in a sanitary way.

Take home Cubbies: Teachers will empty the take home cubbies on Fridays and send all their papers and projects home with the children.
