## Quick Reminders

Parking is always tight here: We ask if you can do quick drop offs and pick ups to open the parking up for others.

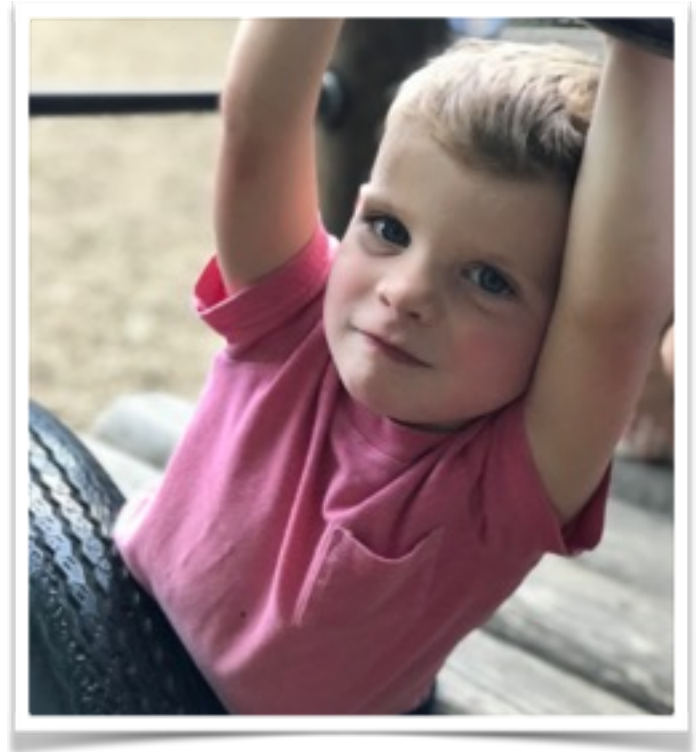

When picking up your child from the playground we ask that you keep their siblings out of the playground area. We have to keep with our legal ratios and it is hard to keep track as siblings are running around too.

Always holding your child's hand in the parking lot helps everyone stay safe. It is hard to see coming into the parking lot so we ask if parents can keep their children close.

Payments are due by Friday mornings at 10am for the weekly payments and by the 1st of the month for monthly payments. It is \$10/day for every day the payment is late.

When dropping off your child please make sure you bring your child all the way into the classroom and check in with the teacher.

Always update emergency contact numbers when needed!

**Reminder: Don't wear your best clothes to school! We explore with arts and crafts and get messy outside!**
