Wear Tie Dye shirts!!

## Valentine's Day Party

**Valentine's Party Wednesday, February 14th. Class lists will be going home the first week of February for you to be able to prepare valentines for the class with your child. We will decorate bags at school for your child to collect their Valentine's.**

### **Before and After School Care**

There are 10 spots ONLY in the before and after school program. I don't usually have anyone sign up until March but I have had a handful of parents ask to be put on the list. I will send home a sign up sheet within the next week for you to be able to sign up for what days you are looking for.

### **Kindergarten Packets:**

**PICK UP AT  
MCGOVERN SCHOOL  
THE MONTH OF  
FEBRUARY!**

## **Physicals/Immunizations/Lead Test**

As your child goes to the doctor for a physical, please don't forget to ask for a copy of the physical for your child's daycare. Your child needs the most up to date physical in their file. Immunizations need to be up to date for your child to come to daycare. This is very important for everyone's health too.

Lead Tests: It is MANDATED by the State of Massachusetts that your child NEEDS a lead test at age 1, age 2 and at age 3. This has to be on record in their file here at the daycare to be able to stay in a daycare.

\*Lead tests are usually "pending" when you leave the office after your physical, please make sure you ask for them to mail you a copy of the results OR you can ask to pick the results up.

\*\*ALL of this information is REQUIRED for your child to be in daycare at any center in the state of Massachusetts\*\*
