SAFETY

There has been many complaints and concerns that I have received from parents and teachers about the safety of the children here during pick up time. When parents are picking up their children they are wandering in the parking lot and over by the Learning Tree Sign on Main Street (Rt 109).

This is a safety issue that I need parents help with. When picking up your children please make sure you are holding their hands in the parking lot and NOT let them wander around. Cars are pulling in and out on Rt 109 and with the new ramp to our driveway you CAN NOT see coming up the ramp if a child is running out in the parking lot.

I understand with more than one child it can be a struggle getting the kids buckled in the car seats. I am just asking if you can get your children all in the car right away so we know they are safe and then buckle your children in. I would hate for something to happen to any of these children.

Reminder about Payments

If you are paying for the month, the payments are due by the 1st of the month. All other weekly payments are due by Friday mornings at 10am. If the payment is later than the scheduled time, a slip will go home. There is a \$10/day late fee every day the payment is late.
